

# Navigating the Teen Years

Are all Sussex County kids using DRUGS?  
*No. But they are all at risk!*

## Did You Know?

- 29% of VERNON 7th graders and 25% of VERNON 6th graders have already tried alcohol
- Heroin purity in NJ is the HIGHEST in the nation
- Teens are ABUSING cough medications to get high
- Prescription drug use is on the RISE among teens

## What can concerned PARENTS and COMMUNITY MEMBERS do?

Join us for an evening of presentations by a substance abuse counselor, law enforcement and a prevention specialist to find out what is REALLY happening in Sussex County. Results from grade 6 through 12 drug survey to be reviewed.
