September 2016

Dear Preschool Parents/Guardians:

Our preschool program includes time for a snack each day. We suggest sending in a small amount of one healthy, nutritious and easy to eat finger food and a small-boxed beverage – no thermoses, please.

If you wish to purchase milk, the district does supply milk from the cafeteria for a total of **\$63.00** starting September 6th through the last day of school in June. **Milk purchase is not available on a daily basis.**

Please use the form below to indicate your choice and **return it to school no later than Tuesday, September 6th.** This will enable your child to participate from the first day of school through the last day of school in June. Your decision cannot be altered on a daily, weekly, or monthly basis and refunds will not be available. A preference slip needs to be returned for every student.

Thank you for your anticipated cooperation.

Sincerely,

Rosemary Gebhardt  
Principal
