Join the Viking Club for 2017-2018

The Viking Club is the official booster organization for the Vernon Township High School athletic program. During the course of the school year, more than half of our student body of 1,063 students will be involved in some phase of our athletic program. **If every parent paid their \$10.00 membership we could raise over \$4,000 for our athletes - so simple!**

Today more than ever, young people need to know that adults are interested in what they do. As responsible adults, we should strive to support healthy, wholesome and worthwhile activities for our young people, such as our interscholastic athletic program. We encourage all parents of student athletes to become involved -- our goal is to get more parents actively involved this year so please fill out the volunteer form below!

320,000 for the purchase of athletic equipment, video cameras, scoreboards, showcase, trophies, VCR's, weight equipment, and portable generators. In addition, during the 2016-2017 school year, twenty athletes were awarded \$500 scholarships and two were awarded \$750 Gary Sparta and Bill Edelman Scholarships.

You can help support these activities and objectives by joining the Viking Club. We meet in the faculty dining room located in the high school cafeteria on once a month (watch Digital Backpack for date and time announcement) and we invite you to attend and participate in our activities. We urge you to support this worthwhile organization. Membership contribution is \$10.00 per family.
