Dear Walnut Ridge Family,

As you may know, due to the feedback that I have received from many of you, we as a school have started accepting online payments for tuition. If you are like me, you probably pay most of your bills online and most likely write very few checks. It is my hope that this new online payment option will make paying tuition more convenient for you and your family. If you would like to continue to pay tuition by check or cash, you may continue to do so.

Here are some frequently asked questions regarding paying tuition online:

Q: How do I access the link to pay tuition?

A: Go to our district website at www.vtsd.com, click on *Schools*, then *Walnut Ridge*, and then click on *Tuition Payments*. For a direct link, use the QR code:

Q: Is there a fee associated with paying online?

A: When paying tuition online you will have the option to pay by card (Visa, Mastercard, AmEx, or Discover) or through a PayPal account. If you use a card there is a 3% service fee added to your payment [it may appear as “tax” in your purchase]. If you pay using a PayPal account there is no fee.

Q: When are payments due?

A: Tuition payments are always due a month in advance. April 1 was the due date for tuition for the month of May. June’s tuition will be due on May 1.

If you have any other questions, please feel free to call or email the school.
