Dear Parent/Guardian:

In accordance with Chapter 14 of the New Jersey State Sanitary Code and the New Jersey Administrative Code Citation 8:57-4.20, all children entering the 6th grade or comparable age level for special education and those children born on or after 1/1/97 will need the following immunizations for admittance to school for the 2018-2019 school year:

Tdap 1 dose* (a child does not need a Tdap until FIVE years after the last DPT/Dtap or Td dose.)

Meningococcal 1 dose

All vaccine doses administered less than or equal to four days before either specified minimum age or dose spacing interval shall be counted as valid.

If your child/ren are in this category or have already received these immunizations, **please provide the GMMS health office with proof of these immunizations from your doctor's office prior to the start of the 2018-2019 school year.** Feel free to have your doctor's office fax the information to 973-764-0851 or 973-764-3295. If you have any further questions, please feel free to call the GMMS nurse, Ms. Ash at 973-764-4661. Thank you for your attention to this most important matter.

Respectfully,

Edwina Piszczek
Principal
