

# What is W.R.A.P.?

**Walnut Ridge Assembly of Parents** is a group formed to keep the spirit of "the little school with a huge heart" alive! There is no SCA, PTA, or any school collaborated group for WR. This is an outlet for us, as parents, to give back to the school and staff that gives so much to our little ones! No obligation at any time to be a member or contribute, but so many parents have wanted an outlet to pay it forward. Whether it be baked goods, paper products, your time, or even a small donation - it just feels so good to give back and be involved with the school, the staff, or other families in our community.

A perfect place to help our schools families that may be in need, if we can do anything to help anyone please reach out!

A forum to discuss upcoming events and how we can dedicate some of our time to make it successful.

A place to organize surprise functions or collaborate on exciting events!

## **How can you connect?**

**Follow us on Facebook :** [W.R.A.P \(Walnut Ridge Assembly of Parents\)](#)

## **What's Next?**

- We polled the parents of WR and ordered some amazing fundraising kits. Let's see which one is the easiest and gives our school the biggest profit.
- We have Parent Teacher Conferences November 5,6, and 7th. Let's discuss a teacher dinner on November 5th. Our teachers will be spending their family time with us and our children, let's show them how much we care with some amazing food and drinks!
