Dear Parent/Guardian:

In accordance with Chapter 14 of the New Jersey State Sanitary Code and the New Jersey Administrative Code Citation 8:57-4.20, all children entering the 6<sup>th</sup> grade or comparable age level for special education and those children born on or after 1/1/97 will need the following immunizations for admittance to school for the 2019-2020 school year:

Tdap 1 dose\* (a child does not need a Tdap until FIVE years after the last DPT/Dtap or Td dose.)

Meningococcal 1 dose

All vaccine doses administered less than or equal to four days before either specified minimum age or dose spacing interval shall be counted as valid.

If your child/ren are in this category or have already received these immunizations, **please provide the GMMS health office with proof of these immunizations from your doctor's office prior to the start of the 2019-2020 school year.** Feel free to have your doctor's office fax the information to 973-764-0851 or 973-764-3295. You may also hand deliver the record to the main office during July and August or have your child bring it to school in September. If you have any further questions, please feel free to call or email the GMMS nurse, Ms. Ash at 973-764-4661 or [sash@vtsd.com](mailto:sash@vtsd.com). Thank you for your attention to this most important matter.

Respectfully,

Rosemary Gebhardt
