Dear Parents/Guardians:

There will be several classroom celebrations for our children during the school year.

Due to space restraints, fire safety concerns and the over-all safety of our students, we are asking 3 or 4 parents/guardians to volunteer to assist at each of the class parties. This way, each parent/guardian may have a chance to attend one class party during the year as an assistant. Please select which party you would be able to assist with (#1) and also, an alternate party (#2) in the event we get too many volunteers for one party.
