Re: Parent Notification

This is to advise that a Management Plan, as required by the Federal Asbestos Hazard Emergency Response Act (AHERA), is available in the main office of each district school building. A Management Plan for each school building and the Board of Education building is also available in the Board of Education office. Individuals interested in reviewing all of the Management Plans or a particular Management Plan for a specific location, may report either to the specific school main office or the Board of Education and request to review the Management Plan(s).
