Join the Viking Club for 2019-2020

The Viking Club is the official booster organization for the Vernon Township High School athletic program. The mission of the VTHS Viking Club is to bring parents of athletes together in fundraising efforts to support the athletes by awarding scholarships as well as funding unbudgeted expenses to benefit the athletic teams. **If every parent paid their \$10.00 membership, we could raise over \$4,000 for our athletes - so simple!**

Today more than ever, young people need to know that adults are interested in what they do. As responsible adults, we should strive to support healthy, wholesome and worthwhile activities for our young people, such as our interscholastic athletic program. We encourage all parents of student athletes to become involved -- our goal is to get more parents actively involved this year so please fill out the volunteer form below!

To date the Viking Club contributed money for the purchase of athletic equipment, video cameras, scoreboards, showcase, trophies, weight equipment, and portable generators. In addition, during the 2018-2019 school year, twelve athletes were awarded \$500 scholarships and one was awarded a \$750 Gary Sparta Scholarship and one \$750 Bill Edelman Scholarship.

You can help support these activities and objectives by joining the Viking Club. We meet in the faculty dining room located in the high school cafeteria on the second Monday of each month at 7:00 pm and we invite you to attend and participate in our activities. We urge you to support this worthwhile organization. Membership contribution is \$10.00 per family.
