

Our Mission

Glen Meadow Middle School believes in teaching the whole child. Students are growing not only academically, but also socially and emotionally. By providing a strong academic foundation, as well as a variety of experiences outside the classroom, Glen Meadow is able to provide a successful transition to high school. Glen Meadow Middle School believes in a student-centered environment nurtured by our supportive, professional, and highly skilled staff.

Our middle school students discover their talents through a plethora of opportunities. We provide rigorous academic programs including courses that offer high school credit. Students are able to discover world languages and technology courses which align them with VTHS's Career & Technical Education (CTE) pathways. Students can explore the arts, athletics, and clubs through numerous after-school activities.

Middle school is truly an exciting time for the developing pre-teen and teen and we are privileged to help guide students toward achieving their academic and emotional potential not only for success at Glen Meadow Middle School, but as responsible, independent, and respectful global citizens.

The Glen Meadow Way

- Respect Yourself and Others
- Take Responsibility for Your Actions
- Reach Your 100%

Count Me In

The Count Me In program was initiated at Glen Meadow based on the direct correlation between attendance and academic achievement.

Attendance is crucial in a child's academic success not only in Glen Meadow, but during high school, college and beyond. Students at Glen Meadow School are rewarded for perfect attendance for individual months.
