January 11, 2021

Dear Vernon Viking Preschool,

We hope this information finds you and your family well. As you know the school district is opening for in-person instruction next week<sup>1</sup> and we wanted to reach out the preschool parents with this information:

The Vernon Preschool will be returning for in-person instruction beginning next Tuesday, January 19, 2021. This phase of reopening will operate as follows:

- General education preschool classes will meet in-person 5 days per week from 9:35 am to 12:05 pm daily.
- Students in the Preschool Disabilities program on a half day schedule will receive in-person instruction 5 days per week with the AM cohort from 9:35 am - 12:05 pm.
- Students in the Preschool Disabilities program on a full-day schedule will continue to receive in-person instruction 5 days per week with a 9:35 am arrival and 1:30 pm dismissal time.
- Students in the Preschool Disabilities program on a full-day schedule will have lunch at school.
- Exclusively virtual students will continue to receive instruction with their assigned teacher. Teachers will reach out in the coming days to confirm remote instruction schedules as existing instructional times may change.
- Arrival and dismissal drop-off and pick-up procedures remain the same for all students in the half-day programs. Students in the full-day program should follow the same procedures with a revised dismissal time beginning at 1:30 pm.

See you next week!

**Charles McKay**  
Assistant Superintendent
