2417 STUDENT INTERVENTION AND REFERRAL SERVICES

The Board of Education directs the establishment and implementation in each school building in which general education students are served, a coordinated system for planning and delivering intervention and referral services designed to assist students who are experiencing learning, behavior, or health difficulties, and to assist staff who have difficulties in addressing students' learning, behavior, or health needs in accordance with the requirements of N.J.A.C. 6A:16-8.1 and 6A:16-8.2. The Board adopts this appropriate multidisciplinary team approach for planning and delivering the services required under N.J.A.C. 6A:16-8.

Students who are experiencing learning, behavior, or health difficulties shall be referred to the school's Intervention and Referral Services (R&RS) Team. The intervention and referral services shall be provided to aid students in the general education program and may be provided for students who have been determined to need of special education programs and services shall be coordinated with the student's Individualized Education Program Team, as appropriate.

The functions of the system of intervention and referral services in each school building which general education students are served shall be pursuant to N.J.A.C.6A:16-8.2(a) and as outlined in Regulation 2417.

Records of all requests for assistance, all intervention and referral services action plans, and all related student information shall be maintained in accordance with Federal and State laws and regulations and New Jersey administrative code pursuant to N.J.A.C. 6A:16-8.2(a)9.

The I&RS Team shall review and assess the effectiveness of the provisions of each intervention and referral services action plan in achieving the outcomes identified in each action plan and modify each action plan and modify each action plan to achieve the outcomes, as appropriate.

At a minimum, the I&RS Team shall annually review the intervention and referral services action plans and the actions taken as a result of the building's system of intervention and referral services, and make recommendations to the Principal for improving school programs and services, as appropriate.

At the end of the school year, the Principal shall, in consultation with the I&RS Team, develop a report on the concerns and issues identified by the I&S Team and the effectiveness of the services provided in achieving the outcomes identified in the intervention and referral services action plans. This report shall be provided to the Superintendent of Schools.
