### 4150 DISCIPLINE

The Board of Education directs all support staff members to observe statutes, rules of the State Board of Education, policies of this Board, and duly promulgated administrative rules and regulations governing staff conduct. Violations of those statutes, rules, policies, and regulations will be subject to discipline.

The Assistant Superintendent for Business/Board Secretary shall deal with custodial, maintenance, transportation and cafeteria personnel on disciplinary matters on a case-by-case basis. The Assistant Superintendent for Personnel and Policy shall deal with secretarial and school aides on disciplinary matters on a case-by-case basis. Discipline will include, as appropriate, verbal and written warnings, transfer, suspension, freezing wages, and dismissal; discipline will provide, wherever possible, for progressive penalties for repeated violations.

In the event disciplinary action is contemplated, notice will be given to the employee in ordinary and concise language of the specific acts and omissions upon which the disciplinary action is based; the text of the statute, policy, rule, or regulation that the employee is alleged to have violated; a date when the employee may be heard and the administrator who will hear the matter; and the penalty that will be imposed.
