## R7101 EDUCATIONAL ADEQUACY OF CAPITAL PROJECTS

Capital projects that affect any of the criteria for educational adequacy shall be reviewed and approved by the Division of Administration and Finance (Division) in accordance with N.J.A.C. 6A:26-5 et seq. The criteria are the number, configuration, size, location, or use of educational spaces within a school facility. The review for educational adequacy shall take into consideration the suitability of the number, configuration, size, location, and use of educational spaces; built-in furniture and equipment; and provisions for the disabled.

- A. Projects Requiring Approval for Educational Adequacy – N.J.A.C. 6A:26-5.1
  - 1. Capital projects that involve the following types of building construction work shall be approved for educational adequacy:
    - a. New school facilities including pre-fabricated facilities;
    - b. Additions to existing school facilities;
    - c. Alterations to the total number, dimension in volume and/or area, configuration or location of educational spaces or the number of any one kind of educational space; and
    - d. Installation of temporary facilities.
- B. New Jersey Schools Development Authority (Development Authority), Regular Operating District (ROD), and Other Capital Projects – N.J.A.C. 6A26-5.1(b)
  - 1. Both Development Authority and ROD school facilities projects, along with other capital projects, shall be subject to educational adequacy reviews. The review process and types of documents subject to review will differ depending on whether the project is a school facilities project or other capital project, and if a school facilities project, on whether it is a Development Authority project or a ROD project.
    - a. For a Development Authority school facilities project, the Development Authority on behalf of the school district shall apply for the review and approval for educational adequacy in conjunction with the application for approval of a school facilities project pursuant to N.J.A.C. 6A:26-3. The application shall be made prior to the review and approval of capital projects for compliance with the Uniform Construction Code (UCC), N.J.A.C. 5:23, by the Division of Codes and Standards in the Department of Community Affairs, and prior to local share authorization. The educational adequacy review shall cover the following types of project

documents: educational specifications; schematic plans and related documents; detailed plans and specifications; and final plans and specifications. The educational specifications, schematic plans, and related documents shall be submitted by the Development Authority on behalf of the school district at the time of project application. Detailed and final plans and specifications shall be forwarded to the Division by the Development Authority after project approval, but prior to the Division determination of final eligible costs and Department of Community Affairs review for UCC compliance.

- b. For a ROD school facilities project, school districts shall apply for the review and approval for education adequacy in conjunction with the application for approval of a school facilities project. The educational adequacy review shall cover the following types of documents: educational specifications, schematic plans and related documents, and final plans and specifications. The educational specifications, schematic plans, and related documents shall be submitted by the school district at the time the project is reviewed for consistency with the school district's approved LRFP. Final plans and specifications shall be submitted by the school district after the consistency review, but prior to the UCC-compliance review.

C. Change of Use of Instructional Space, Non-Capital Project – N.J.A.C. 6A:26-5.1(c)

1. The Executive County Superintendent shall approve any change of use of instructional space that is not a capital project.

D. Educational Specifications – N.J.A.C. 6A:26-5.2

1. Submissions of educational specifications for educational adequacy reviews shall include the following:
  - a. Details of the educational program activities and requirements for each space proposed in the capital project, and shall refer to the New Jersey Student Learning Standards wherever appropriate;
  - b. An itemized list of furniture, equipment, and support spaces required to conduct the educational program specified for each space, together with their net areas in square feet, as well as the net of the total room area required for each space;
  - c. Specific technical and environmental criteria, adjacencies, and other requirements for the educational program; and

- d. A building-space program that indicates the number and net area in square feet of each instructional, administrative, and support space in each existing or proposed building included in the capital project and/or the temporary facility.
- E. Schematic Plans and Other Related Project Documents – N.J.A.C. 6A:26-5.3
1. Submissions of schematic plans for educational adequacy reviews shall include the following:
    - a. Four sets of schematic plans showing the entire existing and proposed building drawn to a scale of not less than 1/16 inch per foot. The approved use of each space, the proposed number of occupants, and the net square feet area shall be clearly labeled on all existing and proposed spaces;
    - b. Layouts of the built-in and moveable furniture and equipment for examples of all occupied spaces drawn to a scale of not less than 1/8 inch per foot;
    - c. Information required to demonstrate compliance with the Facility Planning Standards of N.J.A.C. 6A:26-6, including dimensions, clearances, ceiling heights, and required equipment;
    - d. Paths of travel for disabled persons;
    - e. A completed plot plan when work site is required, including the intended location of the school and a layout of the locations of all other structures, multi-purpose physical education fields, playgrounds, walkways, roadways, access roads, buffer and set back zones, parking areas, deed restrictions, easements, protective covenants, right of ways, and environmentally sensitive areas. If the land for the site is being acquired, an application also shall be submitted for approval under N.J.A.C. 6A:26-7.1; and
    - f. The signature and seal of a New Jersey licensed architect or professional engineer, if there is an architect or engineer engaged for the project, and signatures of the President of the Board of Education and the Superintendent. In the case of Development Authority school facilities projects, schematic plans shall also be signed by the Development Authority, pursuant to N.J.S.A. 59:4-6.
  2. Other project documents to be submitted with the schematic plans shall include:

- a. A project cost estimate on a form provided by the Commissioner;
  - b. A project schedule;
  - c. A copy of the dated transmittal letter to the Executive County Superintendent indicating project document submission to the Division; and
  - d. A copy of the transmittal letter indicating the date of plan submission to the local planning board, where required by N.J.S.A. 40:55D-31 and N.J.S.A. 18A:18A-16, including, but not limited to whenever the project consists of a new building, the conversion of an existing building to school use, or the building footprint, volume, pedestrian, or vehicular access are altered by the project.
- F. Detailed Plans and Specifications and Final Plans and Specifications – N.J.A.C. 6A:26-5.4
1. In the case of a Development Authority school facilities project, the Development Authority school facilities project, the Development Authority on behalf of the school district shall apply upon completion of detailed plans and specifications for final approval of the project’s educational adequacy. Detailed plans and specifications shall be considered adequate for calculations of final eligible costs if the plans and specifications are at least sixty percent complete. Final approval of the educational adequacy of the project shall occur prior to the calculation of the final eligible costs of the school facilities project pursuant to the N.J.A.C. 6A:26-3.5. The application for final approval shall include:
    - a. Four individually packaged sets of detailed plans, drawn to a scale of not less than 1/8 inch per foot, signed and sealed by a New Jersey licensed architect or professional engineer and signed by the President of the Board of Education, Superintendent, and the Development Authority, and specifications to sufficiently demonstrate the school facilities project conforms to schematic plans approved by the Division. To demonstrate such conformance, the submission shall include architectural floor plans, an architectural site plan, as applicable, and architectural drawings that will allow verification of ceiling heights and other applicable standards in N.J.A.C. 6A:26-6.3. If the Division determines the documents are not sufficient to demonstrate conformity with the schematic plans, it may request additional drawings and/or technical specifications;
    - b. The fee calculated according to the fee schedule pursuant to N.J.A.C. 6A:26-5.5; and

- h. If the temporary facility was previously used for school purposes and a certificate of occupancy for District Factor Group E is in effect and no change of use is required, a floor plan with proposed occupancy in lieu of signed and sealed plans shall be submitted to the Division to meet the requirements of N.J.A.C. 6A:25-5.4.

G. Fee Schedule – N.J.A.C. 6A:26-5.5

The Division will collect fees for reviews of detailed/final plans and specifications for educational adequacy in the case of Development Authority school facilities projects and for its reviews of final plans and specifications for educational adequacy in ROD school facilities projects and other capital projects in accordance with the fee schedule outlined in N.J.A.C. 6A:26-5.5.

H. Capital Projects Not Subject to Educational Adequacy Review – N.J.A.C. 6A:26-5.6

- 1. For a Development Authority school facilities project not subject to educational adequacy review, the Division shall issue a preliminary project report and shall forward to the Department of Community Affairs for review the report along with drawings or narrative sufficient to delineate the scope of work, so the Department of Community Affairs may review construction documents for UCC conformance. The review shall require the documentation required by the UCC in accordance with N.J.A.C. 5:23-2.15, for the requirements for application for a construction permit or for plan review, as appropriate.
- 2. For a ROD school facilities project or other capital project not subject to educational adequacy review, the Division shall make a determination of the project's final eligible costs and shall forward to the Department of Community Affairs for review the determination along with drawings or narrative sufficient to delineate the scope of work, so the Department of Community Affairs may review construction documents for UCC conformance. The review shall include the documentation required by the UCC in accordance with N.J.A.C. 5:23-2.15, for the requirements for a construction-permit or plan-review application, as appropriate. If the school district has submitted to the Division a properly executed copy of a "Request for Local Release of School Construction Plans," pursuant to N.J.A.C. 6A:26-5.4(b)2, the Division shall forward the release form to the Department of Community Affairs for its action.
