Dear Physician Office Manager:

This patient is currently a student-athlete at Vernon Township High School. As such, Vernon Township Board of Education has purchased accident insurance coverage on a PRIMARY EXCESS BASIS. This means that for those claims where the total of all medical expenses incurred exceeds \$100 that those expenses which are NOT covered by the patient's own personal or group insurance are eligible for coverage, up to the limits of the policy.

A Bollinger Inc. Claim Forms will be mailed directly to the patient's parent/guardian from a representative from Vernon Township High School after the necessary paperwork has been processed. Instructions for filing that claim will also be provided to the parent/guardian.

You may request information about Vernon BOE accident insurance coverage by contacting the patient's parent/guardian.

Thank you.
