

CEDAR MOUNTAIN Is Proud to Introduce Author Chris Howard to Our Students!

Chris Howard, the author of the children's book "Life Is Ruff", will be visiting Cedar Mountain students on Friday, December 1st. "Life is Ruff" tells the story of a shelter dog's life from being a stray to being adopted through a shelter. Chris is looking forward to sharing his tale with our children and educating them on the process of writing books and the world of animal rescue!

You have the opportunity to purchase a signed copy of his book for a reduced price of \$20. In addition to his FREE assembly for our students AND the reduced book price, Chris is also donating 3 signed copies of his book to our school plus \$3 from every book sold will go to our school.

A Little More about Chris Howard and His Mission:

Chris is one of the founders of the non-profit organization, The American Dog Project. His organization works with state and local governments to help in all aspects of animal rescue including emergency rescue, cruelty cases, training of personal and service animals, adoption, transporting, and fundraising. This elite group of workers is the first responders in a disaster situation. Together the group believes they can bring about change and bring HOPE to the hopeless...and they have been since 2002! Currently they are based out of Florida, Massachusetts, Mississippi, New Jersey and Puerto Rico.
