Dear Parent/Guardians:

This letter serves to notify parents and guardians that Cedar Mountain, Rolling Hills, Lounsberry Hollow and Glen Meadow schools have been designated as Title I Schools for the 2018-2019 school year. The Title I Grant provides funding for identified general education students to access supplemental literacy instruction.

Certified educators are on staff and ready to instruct in tandem with English Language Arts teachers, classroom teachers and reading specialists in order to meet the needs of these identified students. Title I eligibility criteria differs by grade-level and may include: Diagnostic Reading Assessment (DRA) scores, Primary/Elementary Spelling Inventories, and teacher recommendation. Supplemental instruction will be delivered via push-in (classroom based) and pull-out models. Established entrance and exit criteria provide a flexible and cohesive base for fluidity through the program.

If you have any questions regarding the Title I grant or any of the certified educators, please contact the school your child attends for more information.

Thank you in advance for working collaboratively with your child's educators. By working together, every student will receive a quality educational experience while in attendance in our schools.

Sincerely,

Mrs. Rosemary Gebhardt
