

Lounsberry Hollow School

January

2020

Dear Parents/Guardians:

Happy and Healthy 2020 New Year to All!

It is that time of the school year when I ask you to please be reminded to use caution when entering and leaving the school parking lot at all times. We all have a lot on our minds at this time of year, but the safety and security of our students must be first and foremost.

Thanks in advance for your anticipated cooperation.

IMPORTANT HEALTH INFORMATION

Please read the following information. There are many tips on preventing the spread of the flu and other contagious illnesses. We continue to do our best at school.

Please keep your child at home when they are sick. Increased hand washing at home, as well as in school, helps prevent the spread of contagious diseases.

Please keep your child home from school for at least 24 hours after their fever is gone. (Students' fever should be gone without them having taken a fever-reducing medicine).

Your cooperation in the above matters is critically important as we move through the influenza season over the next several months.

Best wishes to all of you and your students for a peaceful and wonderful winter of 2020!

Sincerely,

Dennis J. Mudrick
Principal
