July 31, 2020

Dear Parents and Guardians,

Due to our concerns for the health of our students, faculty and staff, as well as social distancing guidelines, Glen Meadow Middle School faculty members are requesting the following supplies for their students for the 2020-2021 school year, as materials will not be shared between students and teachers this year. Students must come to class with the required materials and will be responsible for transporting their own supplies to and from class daily.

PLEASE NOTE: All students will be required to have a string backpack as lockers will not be issued at the start of the school year.

If additional class-specific supplies are requested, teachers will share that information with students when the school year begins; however, this list encompasses the basic necessities that will be required for most classes.

Grade 6

Language Arts

Pens/Pencils/Highlighters
