

Rolling Hills Primary School Welcome!

We would like to take this opportunity to welcome your child to our class! Below is a general list of supplies that will help start the year off on the right foot. Additionally, homeroom specific materials are listed by teacher name in the chart that follows. Kindly have your child bring his or her supplies on the first day of school. Remember to label all supplies with your child's name. Additional supplies might be required after school begins. Our SCA generously donates a Homework Planner to help keep your child organized with daily assignments.

We look forward to meeting all of you in September. Enjoy the summer and remember to have your child read and write over the summer break!
