Dear Parents/Guardians:

This letter is to inform you of one new COVID case in the district. One student at Vernon Township High School has been identified with a positive case for Coronavirus Disease 2019 (COVID-19). We have just received the test results. The student never attended school as they were a fully virtual student from the beginning of the school year. No close contacts have been identified based on the guidance of the Sussex County Department of Public Health Nursing. The Vernon Township School District continues to coordinate with the Sussex County Department of Public Health Nursing.

We continue to take necessary precautions and are in the process of cleaning and disinfecting all areas of the building in addition to our normal cleaning and sanitizing procedures. As always, we appreciate your support and cooperation. You can assist us by remaining vigilant but sensible in your approach to dealing with this health concern. Should you have any questions about this situation, please feel free to contact Ms. Kim Muller at [kmuller@vtsd.com](mailto:kmuller@vtsd.com), Dr. McKay at [cmckayl@vtsd.com](mailto:cmckayl@vtsd.com), or Ms. D'Avino at [kdavino@vtsd.com](mailto:kdavino@vtsd.com).

Sincerely,

*Karen D'Avino*
