January 21, 2021

Dear Parents/Guardians:

As you are aware, the Vernon Township School District has returned to hybrid instruction. This letter is to inform you about positive cases identified in our school district. We have one positive covid student case at VTHS on 1/13. We have one positive student case at GM on 1/20 and one positive student case at CM on 1/20. Please note that the last two cases (GM and CM) have been quarantined due to outside of school exposure and have not been in school this week. None of the above mentioned students have attended school since November 23, 2020. Any close contacts who have been identified have been contacted by the Sussex County Department of Public Health Nursing. The Vernon Township School District continues to coordinate with the Sussex County Department of Public Health Nursing.

We continue to take necessary precautions and are in the process of cleaning and disinfecting all areas of the building in addition to our normal cleaning and sanitizing procedures. As always, we appreciate your support and cooperation. You can assist us by remaining vigilant but sensible in your approach to dealing with this health concern. Should you have any questions about this situation, please feel free to contact Ms. Kim Muller at kmuller@vtsd.com, Dr. McKay at cmckayl@vtsd.com, or Ms. D'Avino at kdavino@vtsd.com.

Sincerely,

Karen D'Avino

Karen D'Avino
Superintendent of Schools

Charles McKay
