Dear Parents/Guardians:

As you are aware, the Vernon Township School District is currently using a hybrid instruction model. This letter is to inform you about positive cases identified in our school district. There was one positive student case at Rolling Hills school on 2/24. All close contacts have been identified. There was one positive student case at Cedar Mountain on 3/1. No close contacts were identified. There was a second case at Rolling Hills on 3/2 however the student was fully virtual since September and no close contacts were identified. Any identified close contacts have been contacted by the Sussex County Department of Public Health Nursing. The Vernon Township School District continues to coordinate with the Sussex County Department of Public Health Nursing. No closures are recommended at this time.

We continue to take necessary precautions and are in the process of cleaning and disinfecting all areas of the building in addition to our normal cleaning and sanitizing procedures. As always, we appreciate your support and cooperation. You can assist us by remaining vigilant but sensible in your approach to dealing with this health concern. Should you have any questions about this situation, please feel free to contact Ms. Kim Muller at [kmuller@vtsd.com](mailto:kmuller@vtsd.com), Dr. McKay at [cmckayl@vtsd.com](mailto:cmckayl@vtsd.com), or Ms. D'Avino at [kdavino@vtsd.com](mailto:kdavino@vtsd.com).

Sincerely,
