Vernon Township School District Offers Services for Children

Vernon Township School District is committed to identifying and serving all children ages 3 through 21 who may be in need of special education and related services.

The Vernon Child Study Team conducts evaluations, if warranted, for those children and/or adult students who may have developmental delays in cognitive, communication, social emotional or motor skills. Assessment, professional guidance and a specialized program, if needed, are all available at no cost to parents. For additional information, contact the Office of Special Services for further details at 973-764-2935.
