March 15, 2022

Dear Parents/Guardians,

Effective immediately, if a parent informs district personnel that their family will be traveling, families will be provided with the recommended guidance about quarantine surrounding travel. That information can be found [here](#).

Although the district encourages families to quarantine after travel it is up to families to make that decision based on any recent exposure to COVID that anyone in the family may have had. However, it is important that **if you choose to quarantine after travel, please notify the building Principal** so that your children have zoom access to classes they are missing due to voluntary quarantine.

Sincerely,

Karen D'Avino

Karen D'Avino
Superintendent of Schools
