March 3, 2022

Vernon Parents and Families,

I am excited to join the Vernon Township School District! I count myself very fortunate to work in such a welcoming and inclusive school community. As the Supervisor of Special Services 6-12, I will work closely with teachers, the Child Study Team, families and students to create a positive and rewarding school experience.

Before coming to Vernon, I served in Blirstown as the Supervisor of Special Services, and before that in Parsippany as the Lead Teacher of Special Education, and the district's Extended School Year Coordinator. Additionally, I have sixteen years of teaching experience, primarily in specialized programs for students with disabilities.

I earned my Doctorate at Centenary University, where the focus of my work related to Special Education Leadership. Additionally, I earned a Master's Degree in Special Education from Montclair State, as well as a Master's Degree in Educational Leadership from Ramapo College. As an undergraduate, I majored in History at Montclair State.

I look forward to partnering with you and working to help your children reach their goals. If you have any questions about our special education programs or processes, do not hesitate to contact me. My phone number is 973-764-6485 and my email address is bjames@vtsd.com.

Sincerely,

Dr. Brian James
Supervisor, Grades 6-12
