May 2022

Dear Parents and Guardians:

Welcome to the Cedar Mountain Primary School Kindergarten Class of 2035! In a few short months, your child will embark on a most wonderful journey as he/she enters our school for the 2020-2023 school year. Here at Cedar Mountain, young children are provided with many new, exciting and challenging experiences. It is our professional responsibility and desire to make these experiences enjoyable and rewarding for all the children. We welcome and encourage all parents and guardians to play an active role in their child's school and education. When the parent(s)/guardian(s) and school work together, we can achieve the desired results for all children.

To begin our partnership, we would like to invite you and your child to a Kindergarten Orientation Program on **Tuesday, June 21, 2022**, for students whose last names begin with the letters A-L, orientation is from 2:00-3:00 pm. For students whose last names begin with the letters M-Z, orientation is from 3:00-4:00 pm. Attendance is strongly encouraged but not mandatory. The Orientation Program will consist of a brief overview of the kindergarten curriculum and expectations presented by some of the specialists in our building. You and your child will be able to take a short ride on a school bus during which school bus safety will be discussed.

Due to limited seating, we ask that only one parent/guardian attend with each child; please do not bring siblings. This will prevent overcrowding and will keep us in compliance with fire safety regulations.

Please remember to bring in any paperwork still needed to complete your child's registration; i.e. birth certificate, immunization history/booster shots, and/or physical examination record. We must have all this information before your child's name will be placed on a class list.

Below, please read how you can sign up to have your child see me for a special one-on-one meet and greet.

We look forward to seeing you on Tuesday, June 21st at Cedar Mountain Primary School!

Sincerely,
Rosemary Gebhardt

Principal

How to access Sign Up Genius to set up a one-on-one meet and greet with Mrs. Gebhardt

As you are enjoying the summer months, I am busy preparing for your child's first school experience at Cedar Mountain Primary School. This new year will commence a fun and exciting educational journey for your child. The foundation of this educational journey is based on our school and families within it working together as partners to make the best educational experience possible.

With that in mind, I would like to take this opportunity to introduce myself personally to my future students and their families so that we can begin our important educational partnership. This summer I am inviting all of the incoming kindergarten families to visit with me in our school. This will allow us to make introductions and answer any questions you may have for the upcoming school year. If you are interested in signing up to visit with me please go to my blog at: <http://www.vtsd.com/cedar-mountain-primary-school/principals-blog/> to see a link for Sign Up Genius to select a time to meet.
