May, 2022

Dear Parents and Guardians:

Cedar Mountain Primary School is offering a Summer Enrichment Program for incoming kindergarten and rising first-grade students that will take place August 1st through August 12th, 2022, at Cedar Mountain from 9:00 to 11:30 am, Monday through Friday.

The program will include hands-on math, Language Arts, physical and outdoor activities, art projects, and will focus on preparing your child for the 2022-2023 school year. We will also be including social and emotional components as well. Students will work in small class settings to enhance their foundational skills while working to build group skills and stamina in and out of the classroom.

There is no district-provided transportation for this program; therefore, you will need to transport your child daily. Please ensure your child has a nutritious breakfast at home before attending, breakfast and lunch will not be provided.

This program has a select number of spots per grade level and there will be a waiting list once the capacity is met. If you feel your child may benefit from participating in the Cedar Mountain Summer Enrichment Program, please fill out the form below, or email Michele Speight at mspeight@vtsd.com.

Items you will need for the program:

- sunscreen that is applied on your child at home
- white t-shirt for tie-dye (please bring on the first day)
- labeled water bottle each day
- change of clothes

Sincerely,

Rosemary Gebhardt
 Principal
