June 28, 2022

Dear Parents/Guardians,

I am writing to update you regarding the new 2020 New Jersey Student Learning Standards for Comprehensive Health and Physical Education. As a district, we are updating our Physical Education curriculum this summer to reflect the new state-mandated standards along with a pacing guide which will allow us to see when the standards will be addressed during the 2022-2023 school year. Once we have the approximate date range of when the standards in question will be addressed we will be sure to share an update with our community. Parents/Guardians will be afforded the option of “opting out” of these lessons. Thank you all for your patience as we work on updating our curriculum.

Sincerely,

Vincent Gagliostro
Director of Curriculum & Instruction/
Walnut Ridge Principal
