June 6, 2022

Dear Parents/Guardians,

Rolling Hills Primary School will be offering a Summer Acceleration Program, the Summer *RHAP 2022*, for incoming 2nd and 3rd grade students. The program is free of charge and open to all students who are attending Rolling Hills next school year.

The goal of The *RHAP* (Rolling Hills Acceleration Program) is to create a structured learning program where students accelerate their academic and social skills through engaging in hands-on learning experiences centered on teamwork and collaboration to support the development of the whole-child.

The *RHAP* has been designed to be a fun and exciting program. Dedicated educators will provide ample opportunities to accelerate grade level academic and social skill development. Altogether, the *RHAP* will be a fusion of a traditional summer camp program combined with stimulating and engaging activities.

Important *RHAP* Information:

- Enrollment in the ***RHAP*** is open to all incoming 2nd and 3rd grade students on a first-come-first-serve basis.
- The *RHAP* will run for two weeks: July 11-15 and July 18-22 from 9:00am to 12:00pm.
- You may sign up your child for one week, at first. Pending interest, we may be able to offer your child the opportunity to come both weeks of the program!
- Transportation will ***not*** be provided; therefore, parents/guardians are responsible for student drop-off and pick-up.

Please click the link below in order to sign up your child for one of the weeks we are having the program.

Registration is open through June 17th:

[2022 RH Summer Accelerated Program](#)

We hope you will consider registering your child for this exciting and worthwhile opportunity. If you do decide to register your child, additional information will be sent home to you prior to the close of the school year. If you have any questions, please feel free to reach out to Rolling Hills at (973) 764- 2784.

Sincerely,

Stewart Stumper
Principal
