August 2022

Dear Parents and Guardians:

Although all juniors and seniors who are eligible to drive may drive to school starting on the first day of school, all students must register their vehicles no later than Friday, September 30th, 2022, to receive their parking decals to continue parking on campus.

In order for a student to obtain their parking decal (which permits them to drive and park on school grounds), every student driver and a parent/guardian must attend our *Share the Keys* program regarding driving responsibilities. If you and your child have already attended a *Share the Keys* presentation in the past, we have a record of that information.

In conjunction with the Vernon Township Police Department, we are proud to continue with our Safe Driving Initiative, *Share the Keys*. Student safety is a top priority for us at Vernon Township High School; therefore, we will continue with the *Share the Keys* program once again this year.

*Share the Keys* brings parents/guardians and teens together, empowering them with information, resources, and tools to cultivate safe driving attitudes and behaviors. Led by trained facilitators, the program is designed for parents/guardians and their teens in the permit or probationary state of licensure (parents/guardians and their teens already holding a basic license will also benefit). *Share the Keys* was developed to assist the parents/guardians of permit and probationary drivers on the intricacies of the Graduated Driver License (GDL) laws and to offer helpful tools and tips on how to coach their teen during the driver training process. For more information regarding this program, visit [www.sharethekeys.com](http://www.sharethekeys.com).

The in-person presentations will be held on the following dates in the VTHS auditorium.

- **Tuesday, August 23 @ 6:00 pm**
- **Wednesday, August 31 @ 6:00 pm**
- **Wednesday, September 7 at 6:00 pm**
- **Wednesday, September 21 at 6:00 pm**

Please register so we will have a sign-in sheet updated and available for both evenings: **CLICK LINK:**

[Share the Keys 2022 Registration Form](#)

Students and parents/guardians will be asked to sign in when they arrive at the in-person presentations. **Students who do not attend one of these workshops will not be able to park on campus until attending a future workshop.** Thank you in advance for your anticipated cooperation as we endeavor to keep all of our student drivers safe.

Sincerely,

*Lindsay LeDuc Young*  
Principal

*Nicholas M. Demsak*  
Asst. Principal

*Kristin Gudenkauf*  
Asst. Principal
