February, 2023

Dear Junior Parents and Guardians:

We are pleased to announce that SAT Team, Vernon Township High School's renowned SAT prep program will be available once again this winter.

Junior year can be a tenuous time for parents, guardians, and students. This is when the focus of school shifts towards post-secondary endeavors, standardized tests, college searches, gathering recommendations, and the beginning of college applications. We are here to help.

One way to assist parents, guardians, and students with the college admissions process is through our extensive and extremely successful SAT Team. The Spring 2023 SAT team will include instruction in SAT Reading, Grammar and Math. The course also includes three full-length practice tests leading up to the May SAT Test at VTHS. (Please note: separate registration for the test is required through Collegeboard.com)

The course will additionally include help with college searches and the college application essay. Students will receive instruction in three primary areas: Reading, Grammar, and Math under the tutelage of Marc Bray (Reading/college search), Thom LoGiudice (Writing/College essay), and John Getz (Math).

The course will meet on Monday, Tuesdays, and Thursdays after school beginning on March 21 and ending on May 1. There are three full length practice tests scheduled for March 25, April 1, and April 22.

The cost of the course is \$150 payable by check to VTHS. (Checks should be dropped off to room 141 or dropped off in the VTHS Main Office before February 28th, Attn: M. Bray. Please be sure to print student's full name in the memo and label it Spring SAT Team. Also, we encourage students to join our class Remind by texting @spr-sat23 to 81010 to join our Remind to get updated information).

This is a great opportunity for juniors who are looking for help to improve their scores and begin the college search process in earnest. Sign-ups will be on a first-come first-serve basis.

We wish you the best of luck going through this process and we want you to know that we look forward to working with your son or daughter. If you have any questions or concerns, please contact Mr. Bray at mbray@vtsd.com.

Sincerely,

Marc D. Bray

Tom LoGiudice
