We are pleased to share that our Student Information System, Genesis, has released an update for the Parent Portal and Student Portal. The Parent Portal website (<https://parents.c2.genesisedu.net/vtsd>) is now more responsive and is a better mobile experience. You will not need to do anything for this change to take place – we will enable the new Parent Portal this Friday, February 17th. We wanted to let everyone know so you would not be surprised. Thank you for your support and have a great week!

Best Regards,
