

Bus Stop Information and Safety

- Your student's bus stop assignment and approximate pick up time can be found on the Genesis Parent Portal.
- Bus stops are generally placed at centralized locations that can be accessed by a significant number of students to minimize the length of time and mileage of a route. If you have concerns about your child's safety, you are encouraged to accompany your child to the bus stop or make arrangements to have your child escorted to the bus stop. Parents are responsible for supervising their students at the bus stop.
- Students should obey all safety and traffic laws while on route to and from the bus stop.
- Every student is assigned one bus/bus stop for consistent (5 days) pick up and drop off. Students must use only the bus and bus stop assigned.
- Students are required to be at their assigned bus stop 10 minutes prior to the scheduled pick up time and wait 10 minutes after in case of delays. The bus driver may adjust the pickup time after the first few days of school. The driver or transportation office will notify students if there is an adjustment to the time.
- Students must be prepared to board the bus immediately upon its arrival, not be waiting inside their home or vehicle. Unless the student is ready to board, the driver may not see them and continue their route.
- Students and parents must respect the private property of others and maintain good behavior at the bus stop locations.
- Please keep in mind that there must be a minimum of 15 feet of clear roadway for traffic to pass freely, especially in emergency situations. Do not obstruct the entire roadway with your vehicle while waiting for the bus to arrive.

- There is no law on sidewalks. Students must get to their bus stops with or without sidewalks.
- If your child misses the bus, please do not chase after the bus with your car, or have your child run up to the bus at another bus stop. This is extremely dangerous. If you are running late and miss the bus, please drive your child to school or make arrangements for them to be driven.
- Any items left on the bus in the morning will be returned in the afternoon. Items left in the afternoon will be returned the next morning. If you need the item sooner, please contact the bus company and make arrangements to pick it up from their location.
