Dear Vernon Parents and Students,

As the Vernon Township School District Superintendent, I am pleased to welcome you back to the 2023-2024 school year! We look forward to seeing students in school on September 7th. I am excited about all this new school year has to offer and look forward to working collectively to ensure that our students are provided with the best educational experience possible to be critical thinkers, responsible citizens, and successful in life beyond school.

Students and parents have already received information from their schools. Information can be found on the <https://www.vtsd.com/schools/> website. The district calendar, parent portal information, and each school's welcome letter are included in the links below. September 7th and 8th will be early dismissal days; full days will begin on Monday, September 11th.
